~ YOUR APPOINTMENTS

We understand how valuable your time is and we do everything to ensure that we run to time; please help us by giving yourself plenty of time to arrive for your appointment. If you have to cancel your appointment, we require, whenever possible, 24 hours notice. There may be a charge for appointments broken without such notice.

~ OUR TEAM

We are a friendly, professional team who offer modern dentistry of the highest standard, while making you feel at ease. Hannah Neve, our experienced and highly trained dentist, is assisted by Maria Rolfe, our nurse/receptionist and our team of hygienists: we are all here to help you 'bring a smile to your face'.

~ SMILE & RELAX

Take time out of your busy schedule to enjoy fresh tea, coffee and cool water in our calming reception area.

~ YOUR TREATMENTS

We offer all the treatments you would expect from a family dentist as well as providing modern cosmetic dentistry. Hannah can provide you with a full range of treatments which include tooth whitening, white fillings and veneers as well as many other options. Central to your care is prevention; by visiting the hygienist regularly many tooth and gum problems can be prevented.

~ PAYMENT OPTIONS

From your very first appointment, we will always explain all your options for treatment and provide written estimates. Payment is due at each appointment and we accept all major forms of payment. Interest-free credit may be available (subject to acceptance).

~ DENPLAN

We are a Denplan Excel practice for both adults and children and can offer you a choice of payment plans, depending on your Individual requirements.

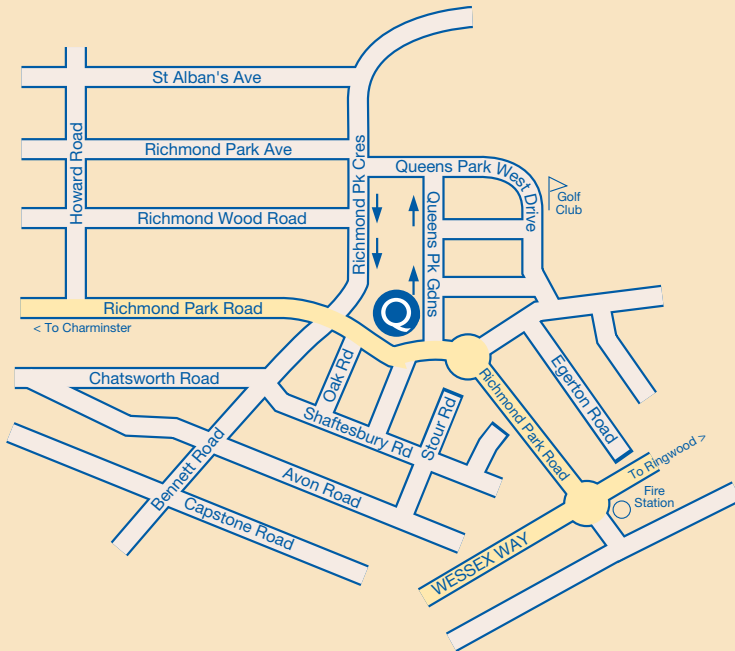

~ EMERGENCY CARE

If you have an emergency problem please ring us as early in the day as possible or if it is outside our normal hours please listen to the message. If you need to be seen, arrangements will be made, although this will not necessarily be with Hannah.
